New Partnerships for WMAGC:

This week the World Martial Arts Games Committee proudly announced their New Partnership with the Federación Internacional de Limalama from México (FILL).

The WMAGC Board would like to welcome the FILL Board including Master César Fernández Montiel, President, Master Antonio Zavala, Vice President, Master Gustavo Ayala, Treasurer, Master Adrian Chao, Commissioner, Master Felipe, Avelar Secretary and Master Victor García Jasso, Vocal Medallist.

The WMAGC are looking forward to a long lasting working relationship with Master César Fernández Montiel and the Federación Internacional de Limalama.

The Americas have become increasingly prominent within the WMAGC over the last six Months. With the Alliance of US Based Sport Jiu-Jitsu International Federation (SJJIF), who also have strong Members in Brazil and with the links the WMAGC have in the Caribbean and Canada, combined with WMAGC's long standing existing Members, The US Martial Arts Team - This should make for a very interesting Pan-American Continental Games.

Many thanks to Federación Internacional de Limalama Coaching Evaluation Director, Gabriela M. Jiménez Martínez (MEX), for her significant efforts and negotiations together with WMAGC Secretary General Chris Hemstock (GBR).
